
Identifying Major Key Signatures

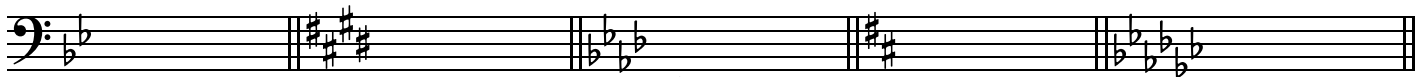

PRACTICE DRILL

Name the following major key signatures. Until these are memorized, draw a little Circle of 5ths below, or write the order of sharps and flats and use the tricks discussed in the course videos. Another easy method is discussed in the videos! (Watch them for the spoiler :)

A musical staff in treble clef showing five key signatures. The first is G major (one sharp). The second is B-flat major (two flats). The third is D major (two sharps). The fourth is E-flat major (three flats). The fifth is A major (three sharps).
