
Scale Degree Drill

ANSWER KEY

For the following well-beloved tune, write the scale degree number ($\hat{1}$, $\hat{2}$, $\hat{3}$, etc.) over each note. By knowing the scale degrees of any song, and being comfortable thinking in any key, you can easily sing/play/write that song *in every key*. Scale degrees (in combination with your *memorized* key/scale knowledge) are *powerful*. For more practice, get ahold of *any* tonal music you have lying around and figure out some scale degrees!

Imagine there are little carets on top of all these numbers ;)

1 2 3 1 5 2 3 4 2 5

3 4 5 3 1 2 3 1 7 6 7 1 2
